

Welcome to the BIAL Foundation Awards Management System (BF-AMS).

The BF-AMS denotes the restricted access components of the BIAL Foundation Awards Management System. The BF-AMS offers functionalities to nominators involved in the BIAL Award in Biomedicine.

Here you can create, save, access, and submit nominations when a new competition is open. Please refer to the instructions below to enjoy a better experience using our platform.

If you are entering the platform for the first time to elaborate a new nomination, click on the "Register" button below. If you want to access a saved nomination that has not yet been submitted, click on the "Login" button below and insert the password that you have previously defined; if you have forgotten your password, please use the automated recovery tool.

When the nomination form is complete and successfully submitted, you will receive a confirmation email with a PDF copy of the nomination form duly filled in. After submission, you will no longer have access to the nomination.

Please consult this guide to learn how to edit, save and submit your nomination form. If you still have any doubts, please contact: info@bialfoundation.com or +351 229 866 150.

To learn more about the processing of personal data by the BIAL Foundation, you can consult the Privacy Policy available on the website.

Thank you.

 The "Register" button is only available during the defined nomination period. It grants access to the nomination form for completion and submission.
